

Annual Allied Membership

You don't have to be an Architect to be a member of AIA Austin.

Are you a building industry professional?

Do you work with architects?

Would you like to expand your professional network?

If you answered "yes" to any of these questions, then Allied Membership may be for you.

This program is designed specifically for building/industry companies, and every profession with an interest in the built environment (construction firms, engineering firms, lighting and environmental firms, reprographics companies, MEP firms, product suppliers, photographers and more).

AIA Austin currently has over 800 Architects and Architectural Interns and over 100 Allied Members (sponsors).

Mission

We improve our community by advancing the value of architecture.
