QUICK TURNAROUND (QT) PERMIT PROCESS

The Quick Turn-Around Permit process is limited to:

- Tenant finish-outs and interior remodel projects of 5,000 square feet or less for admin/bus/professional offices and retail sales occupancies where hazardous materials are not stored, used or dispensed.
- Exterior remodels that do not increase the square footage of the building or increase the height by more than six (6) feet (roof repairs, mansards, etc.)
- Any other project specifically authorized by the Building Official.

SUBMITTAL REQUIREMENTS:

- A completed Commercial Building Application
- A completed Site Development Determination/Exemption OR Two (2) sets of the city approved Red-Stamped Site Plan for tenant finish-outs
  - note: Prior approval from the Development Assistance Center (DAC) may be required, please verify with a Zoning or Building Plan Reviewer
- Two (2) sets of plans drawn to scale including Mechanical, Electrical and/or Plumbing plans sufficient to illustrate the full scope of proposed work.
  - NOTE: Revisions to permits issued through this process may result in rescinding ALL permits and a full submittal required. Refunds will not be issued. Please verify all proposed work before going through the Quick Turnaround process.
- Two (2) key floor plans (lease space in relation to the building)
- Two (2) plot plans (lease space/building in relation to the site)
- Two (2) Complete Lighting, Envelope and/or Mechanical energy calculations if required (Comcheck-EZ). (www.energycodes.gov)
- Texas Accessibility Standards (TAS) – TDLR Confirmation page
  - Residential projects, multi-family projects, and commercial projects less than $50,000 are exempted
- Tx Dept of Health Demolition/Renovation Notification Form or Asbestos survey summary page (do not attach the actual survey) or certification from a licensed engineer or architect or statement from a licensed asbestos inspector stating all parts of the building affected by the planned renovation do not contain asbestos.
- Electric Service Planning Application (ESPA) form signed by an Austin Energy representative, required for ANY and ALL electrical plan review. Austin Energy requires a completed ESPA form, Electrical Riser Diagram and a photograph picture of the existing gutter and meter numbers. (Please see the AE Representative in the Development Assistance Center – 1st floor)
- Plan Review Fee + Quick Turnaround fee: see Commercial Review Fees at http://www.austintexas.gov/department/fees. (Note that the Plan Review fee now must be paid during the zoning/submittal process.)
- NOTE: Finish-Outs in SHELL buildings may require new water meters. A meeting with an Austin Water Representative (Development Assistance Center – 1st Floor) is recommended to verify.
